Age
function in normal and dystrophic mice of strain 129 (Hazlewood & Ginski), 132
Androgen insensitivity
Testicular femizing syndrome of (Masica et al), 34
Anemia
in the malnourished infant (Graham et al), 139
Antigen
effect on chronic immune complex glomerulonephritis (Valdes et al), 9

Bacteremia
gram-negative (Lewis & Fekety, Jr.), 106
infections in the newborn (Lewis & Fekety, Jr.), 106,151
proteus (Lewis & Fekety Jr.), 151
Bacterial endocarditis. Current concepts (TCM), 339
Blood flow
estimated hepatic (Maddrey et al), 157
Brain, irreversible damage
criteria of death (Walker, A. E.), 190
Brogden, Margaret S. memorial symposium,
November 25, 1968, 239
Bromsulphalein
maximal excretory rate (Maddrey et al), 157
relative storage capacity (Maddrey et al), 157

Ceruloplasmin
in the malnourished infant (Graham et al), 139
Cirrhosis, postnecrotic
portal hypertension in (Maddrey et al), 157
Clinicopathologic conference (CPC), 44
Community health services
faculty participation (Willard, W. R.), 241
health research (Kark, S. L.), 258
organization of hospitals and future patterns of medical care (McKeown, T.), 271
student involvement (Deuschle, K. W.), 247
the new imperative (Sheps, C. G.), 283
university medical center and primary care (Scott, R.), 254
Contraceptives, oral
effect on liver (TCM), 112
Control of coronary heart disease - treatment of hyperlipidemia (Drug letter), 224
Convulsion
post-seizure myoglobinuria (Spivak & Conti), 18
Copper
deficiency and depletion in the malnourished infant (Graham et al), 139
Coronary heart disease
control of (Drug letter), 224
Cryptococcus
meningitis (CPC), 44

Death, cerebral
transplantation, criteria for brain death (Walker, A. E.), 190
Death of a brain (Walker, A. E.), 190
Dedication of the Thomas B. Turner auditorium,
December 6, 1968, 177
Dialysis
in post-traumatic acute renal failure (Whelton & Donadio, Jr.), 95
Dilantin (diphenylhydantoin)
precordial pain in an epileptic relieved by (Klinefelter et al), 25
Diphenylhydantoin (dilantin)
in viral diseases (TCM), 231
precordial pain in epileptic relieved by (Klinefelter et al), 25
Diseases, viral
new vaccines (TCM), 231
Dohme, the Charles E. memorial lectures delivered May 1 and 2, 1968: Hormones of the mammalian
posterior pituitary gland and their naturally occurring analogues (Du Vigneaud, V.), 53
(see erratum),

studies in testicular feminizing syndrome of androgen insensitivity (Masica et al), 34
Histochemistry
in Hashimoto's thyroiditis (Brandes et al), 211
Hormones
and behavior (Masica et al),34
and intelligence (Masica et al), 34
fetal sex and cognitive patterns (Masica et al), 34
of mammalian posterior pituitary gland and their
naturally occurring analogues (du Vigneaud, V.), 53
Hospitals for community health services
organization of (McKeown, T.), 271
Hyperlipidemia
treatment of (Drug letter), 224
Hypertension, portal
hepatic storage and maximal biliary transport of sulfobromophthalein (Maddrey et al), 157
Hypophysis
hormones of mammalian posterior pituitary gland and their naturally occurring analogues (du Vigneaud, V.), 53
Immune complex glomerulonephritis, chronic
the effect of antigen excess (Valdes et al), 9
Infantile malnutrition
as a result of copper depletion and deficiency (Graham et al), 139
Infections of the newborn
bacteremia (Lewis & Fekety, Jr.), 106
proteus bacteremia (Lewis & Fekety, Jr.), 151

Inflammatory response
skin window studies of effect of endotoxin (Fekety, F. R., Jr.), 291
Intelligence quotient
and sexual dimorphism (Masica et al), 34
Intersex
IQ, fetal sex hormones and cognitive patterns (Masica et al), 34
Iron-deficiency anemia
in malnourished infant (Graham et al), 139

Jaundice
effect of oral contraceptives on the liver (TCM), 112

Kidney
acute failure, post-traumatic in Vietnam (Whelton & Donadio, Jr.), 95

Leukopenia
in malnourished infant (Graham et al), 139
Liver
and oral contraceptives (TCM), 112
hepatic storage and maximal biliary transport of sulfobromophthalein in patients with portal hypertension (Maddrey et al), 157
Lungs, canine
early effects of hemorrhagic shock on surface tension properties and ultrastructure (Barkett et al), 87
Malnutrition, infantile
due to copper depletion and deficiency (Graham et al), 139
Measles
new vaccines (TCM), 231
Medical care
future patterns for community health services (McKeown, T.), 271
Medical faculty
and community health services (Willard, W. R.), 241
Meningitis
cryptococcal (CPC), 44

normal and dystrophic of strain 129; skeletal muscle electrolytes as function of age (Hazlewood & Ginski), 132
Mumps
new vaccines (TCM), 231
Muscle
skeletal muscle electrolytes (Hazlewood & Ginski), 132
steroid myopathy, a study of evolution of lesion (Afifi & Bergman), 66
structure of rabbit soleus and structural alteration resulting from tenotomy (Bergman & Afifi), 119
Myasthenia gravis
clinical and physiological studies of effect of guandine (Brown & Johns), 1

Myocardium
serial EM changes with ischemia (Denker et al), 331
Myoglobinuria
post-seizure (Spivak & Conti), 18
Myopathy, steroid
study of evolution of muscle lesion in rabbits (Afifi & Bergman), 66

Neutropenia
in malnourished infant (Graham et al), 139
New imperative (Sheps, C. G.), 283
New vaccines against viral diseases: mumps, rubella and measles (TCM), 231
Organ
transplantation (Walker, A. E.), 190

Pain
precordial (Klinefelter et al), 25
Pituitary
hormones of mammalian posterior and their naturally occurring analogues (du Vigneaud V.), 53
Portal venous obstruction, extrahepatic
transport of sulfobromophthalein (Maddrey et al), 157
Post-traumatic
acute renal failure in Vietnam (Whelton & Donadio, Jr.)., 95
Primary care
in community health services and the university medical center (Scott, R.)., 254
Proteus
bacteremia (Lewis & Fekety, Jr.), 151
Psychoses
resulting from disorders of thyroid function (Clower et al), 305
Pulmonary
thromboembolism and renal vein thrombosis (Hamilton et al), 331

Renal
failure, acute, traumatic in Vietnam (Whelton & Donadio, Jr.), 95
vein thrombosis and pulmonary thromboembolism (Hamilton et al), 331
Research
in community health services (Kark, S. L.), 258
Respiratory problems
management of in critically ill medical patients including indications for and results of tracheostomy (TCM), 163
Rubella
new vaccines in (TCM), 231

Seizure
post-seizure myoglobinuria (Spivak & Conti), 18
Senior class convocation address, Johns Hopkins University School of Medicine, June 1968 (Frank, J. D.), 296

Sex
intersex (Masica et al), 34
sexual dimorphism and IQ (Masica et al), 34
Shock, hemorrhagic
early effects on surface tension properties and ultrastructure of canine lungs (Barkett et al), 87
Social work
in university medical center (Dana, B.), 277
Spleen
wandering (Crosett, Jr. et al), 28
Steroid
myopathy (Afifi & Bergman), 66
Student, medical
participation in community health services (Deuschle, K. W.), 247
Surfactants
early effects of hemorrhagic shock on surface tension properties and ultrastructure (Barkett et al), 87
Syndrome
androgen insensitivity (Masica et al), 34
testicular feminization (Masica et al), 34

Testicular feminization syndrome
of androgen insensitivity (Masica et al), 34
Thrombosis
age distribution (Oppenheimer, E. H.), 202
arterial with transposition (Oppenheimer, E. H.), 202
relation to surgery (Oppenheimer, E. H.), 202
renal vein and pulmonary thromboembolism (Hamilton et al), 331
Thyroid
disorders of function(Clower et al), 305
Hashimoto's thyroiditis (Brandes et al), 211
psychotic states resulting from disorders of function (Clower et al), 305
Topics in clinical medicine (TCM), 112, 163, 231,339
Tracheostomy
indications for and results in management of respiratory problems in critically ill medical patients (TCM), 163
Transplantation
organ (Walker, A. E.), 190
Transposition of the great vessels
occurrence of thrombosis and embolism (Oppenheimer, E. H.), 202
Trauma
acute renal failure in Vietnam (Whelton & Donadio, Jr.), 95

Ultrastructure
